**We are a Community and Place where Poles meet.**

**Our aim and purpose is to provide the foundation  
for the building of a community, both virtual and face-to-face,  
to nurture and enable current and future generations of Victorians with Polish ancestry,  
to connect and meet under a mutual commonality which is their "Polishness" –  
that is their Polish roots, traditions, culture, and history, whilst expanding their knowledge and  
appreciation of their ancestry and roots.**
